

Once again, Friends of Fr. Ron Lussier, former pastor of St. George Parish in Chicopee, MA will hold a golf tournament in his memory. This will be our ninth year and we hope to make it as successful as the past years.

Catholic Education was very important to Father Ron. We sponsor this tournament to help provide support to those families who have similar values to his.

All proceeds from this tournament will be used toward scholarships for students attending St. Joan of Arc School in Chicopee, MA, or in their continuance of their High School or College Catholic Education.

To date, we have awarded over \$25,000 in scholarships to help families afford Catholic Education.

Thank You To Our
